

To whom it may concern,

I highly recommend Todd Malecki's Iceman AAU basketball program. Coach Malecki is a very hard worker, extremely knowledgeable, and gifted in dealing with athletes from varied backgrounds. I have so much confidence in Coach Malecki that I enrolled my son in his program. My son thinks the world of Todd and has performed very well in the Iceman program.

If you are looking an excellent teacher and someone you can completely trust, then Coach Todd Malecki and Iceman basketball is the program for you.

Sincerely,

Daniel Panaggio, Head Coach
